RV OUTSTANDING LEADERSHIP AWARD

立化杰出领袖奖

My six years in RV have been most fruitful and life changing. I have met many inspiring figures, from my mentors in the Students' Council, to my subject tutors, who have motivated me to strive and excel in everything I do. They pushed me to step foot out of my comfort zone and adopt a growth mindset. I am privileged to have had the constant care and support of my peers and teachers throughout my growth and learning.

To everyone in RV I have met along the way, thank you for always believing in me and stretching my abilities, while still looking after me. I have learnt immensely about leading with humility. I had many opportunities to enjoy new experiences and constantly challenge myself. I was able to learn from those before me and nurture others and nurture my leadership skills.

My hopes are that I am able to give back just a little of what I have gained and impact the school in one way or another. My years in RV will always be some of the most meaningful and memorable, and I am proud to have been an RVian, always will be.

RV OUTSTANDING VIA AWARD

立化杰出社区服务奖

In my two years in RV, my growth was truly immeasurable. I will always be grateful for the countless opportunities to pursue my interests, and the unwavering support even during the most turbulent times. I am thankful for leadership opportunities, such as being one of the VIA leaders of my class, which allowed me to discover my passion for contributing to society.

I would like to thank the teachers and my friends for going the extra mile and supporting me throughout my journey in RV. The road to A levels was certainly not easy, but I was comforted by the knowledge that I had caring people around me. Thank you to my teachers who never let me get consumed by failure and stood by me, and always attending to my queries and enriching my learning. Of course, I would like to express my sincerest gratitude to my classmates and friends for making school life all the more enjoyable.

Thank you, RV, for giving me a safe space to grow and learn. I will always be grateful for all the opportunities and valuable experiences I have had to develop into the person I am today.

RV OUTSTANDING SPORTS AWARD

立化杰出体育奖

Six years in RV passed in a flash, and I am thankful for all the teachers and friends I have met along the way. Thank you for inspiring me to be who I am today, for checking up on me when I am down, and for making my school life vibrant.

The time I have spent in the Wushu CCA were some of my most memorable moments in RV. As Captain of the team, I learnt much about the sport and also that managing a team takes more than just sporting talent. I am thankful to the team for being motivated during training and competitions.

To my parents and coaches, thank you for your unwavering support throughout these years. To my juniors, cherish the time you have in school because it will be over before you know it. To RV, thank you for providing me with a safe and conducive environment to grow into who I am today. I am glad to say that I have never once regretted my commitment to Wushu. I would not be where I am today if not for the numerous opportunities I have been blessed with to realise my true potential.

RV OUTSTANDING AESTHETICS AWARD

立化杰出艺术奖

Since young, I have been passionate about singing. Joining the RV Choir was one of the best decisions I have ever made, as this CCA quickly became a safe haven for me where I developed many skills and honed my talent. I am truly blessed to have been elected as both President of RV Choir as well as the Aesthetics Council, and count these as two of the most significant achievements in my life. The latter gave me the opportunity to understand every Aesthetics CCA in depth: their culture, their unique routines and events. I am so fortunate to have worked with many talented individuals, identify myself as part of the Aesthetics family and have learnt so much from these experiences.

As I embark on a new journey in University, I would like to take this opportunity to thank those who have supported and trusted me over the past six years: all the teachers in-charge of both the RV Choir and the Aesthetics Council, who have consistently provided me with constructive feedback and warm encouragement. Besides taking the time to look through our proposals, they were the bridge of communication among the student organisations, teachers and school leaders.

RV OUTSTANDING BICULTURAL STUDIES STUDENT AWARD

立化杰出双文化奖

Having spent four wonderful years under the Bicultural Studies Programme (BSP), I am happy that the BSP has effectively shaped my mastery of both the linguistic and cultural nuances behind the two languages and provided me with a refreshing vision of the world. I am grateful that our school promotes biculturalism and provides students with platforms, such as the Bicultural Leaders Academy, RVFM, overseas immersion programme and the celebrations of Chinese festivals. I would like to thank my teachers for taking time off their busy schedules to guide me through my revision as well as the unwavering support from my friends and family. To my juniors, I hope you engage in the joys of BSP and work towards forging a rich cultural identity and the mastery of a fascinating linguistic repertoire!

四年的双文化课程不仅丰富了我的知识、锻炼了自我交际的能力、提升了自身的文化知识素养，更开拓了视野、磨练了心智，为未来的人生之路奠定扎实的基础。感恩父母给予生命，无私关爱；感恩老师悉心教诲，助我成长；感恩同学朋友的关心与支持，旅途上心手相连，共同奋进拼搏。立化优良而包容的校园文化，使这里不仅是一所欢乐的学习殿堂，更是孕育莘莘学子梦想与长出翅膀的地方。乘风破浪总有时，让我们以昂扬的姿态踏步人生新征程，努力实现人生目标，用丰硕的成果回报父母，回报母校！

RV OUTSTANDING BICULTURAL STUDIES STUDENT AWARD

立化杰出双文化奖

Accompanying me through my Bicultural Studies Programme journey are many brilliant peers and dedicated mentors. Thank you to the people who have collaborated with me throughout the years, for you taught me the power of teamwork; that alone we can do so little, but together so much more. Thank you to the friends who showed me your unique, sometimes unorthodox points of view. These perspectives challenged me to question my existing beliefs, and inspired me to constantly ask "why not?". And lastly, thank you to the people who helped me realise how much more I had left to learn, and made me develop humility.

To my batchmates, juniors and teachers, let us continue to help one another whenever possible, and may our paths converge once again!

双文化课程灵活多样，通过课堂学习、参加学习营、海外浸濡，以及各项文化活动等，增加了我与志同道合者交流和向其学习的机会，并在与他们的交往中提升了自身素质，开阔了我的视野，培养批判性思维与多元视角。感恩母校给予机会；感恩严谨认真的老师们悉心“传道、授业、解惑”；感恩热情友善的同学们给予我的鼓励和帮助；感恩一切善待我、助我成长的人与所经历的坎坷。骊歌轻奏，衷心祝愿母校越办越好，老师桃李满天下，同学们前程灿烂辉煌，学弟学妹们积极进取，携手共进，开拓创新。

RV OUTSTANDING SCHOLAR AWARD

立化杰出成绩奖

RV has given me so much to be grateful for! Thank you to my teachers for always pushing us forward, for sacrificing so much time and effort. Thank you for always being there for us, for arranging consultations and remedials to make sure we were well-prepared for the A levels, for giving us so many opportunities to develop our interest beyond the curriculum. Your tireless efforts have gone a long way in helping us achieve our goals.

Thank you to my friends, who laughed, cried, smiled, and partook in the struggles with me. I will not forget the times we celebrated together, cheering one another on as we buried ourselves under piles of Ten-Year Series and notes, for keeping me going during lectures, for injecting joy into my life. I would not have made it without all your help and support.

Thank you to every single individual in RV, for making me part of this warm and loving environment, for giving me a place to grow and find myself, and moulding me into who I am today. I will always cherish the memories I have forged here and take away life-long lessons to tide me through my life.

RV STUDENT OF THE YEAR AWARD

立化杰出学生奖

RV is the place I grew up in. In my six years in the school, I have made lifelong friends, met amazing teachers, interacted with ambitious and inspiring people, found and pursued my passion, achieved successes and failures, and met many special individuals. Most importantly, RV is where I found myself.

To my teachers, thank you for putting me on the right path. Despite the tremendous workload, you always managed to put in your hundred percent in teaching us. You were always there to support me when I needed it. You gave me validation when I lacked confidence, and encouraged me to go way beyond my comfort zone. Without your help, I would not be where I am today.

To my friends, thank you for making school life so enjoyable. We have made countless memories together in school, and we have been able to make our JC experience lively despite the COVID-19 restrictions. We have been through so much, and I know that all of us will continue to be resilient as we move into the next phase of our lives. While our paths may diverge, I sincerely hope that we will be able to keep in touch.
